

Rolf Benz 3100

**ROLF
BENZ**

- Downy-soft neck cushions with a filling of foam rods and polyester fibres, steplessly height-adjustable
 - The seat and back can be steplessly adjusted to the relax position
 - Seat and back with foam-moulded metal inner frame with an additional layer of soft foam
 - Foam-moulded elastic webbing
 - Cover quilted underneath with non-woven polyester
 - Side elements: available with leather cover
 - Leg in cast aluminium with partially polished structured surface
- ! Wave formation and depressions in the seat area are unavoidable, due to comfort and design reasons, even in high quality Rolf Benz upholstered furniture. All measurements are approximate.
