Inspiration has
a place

Breathe in.
Breathe out.
Live.

What do you get when
Italian design meets
Made in Germany
quality?

A sofa with a casual, soft comfort and geometric, clear forms. Between these supposed contrasts you experience high quality in all its facets. Sink into Rolf Benz LIV and recharge your batteries. Make some big plans or take a little break. Wherever your thoughts lead you, you will always come back to here. Rolf Benz LIV combines functionality with clear beauty in its design, setting new standards when it comes to aesthetics.

Design and comfort just where you want to be: at home.

Whether for you alone, good friends or the whole family: Rolf Benz LIV's modular design adapts to your living concept and its versatile layout options offer several unique combinations of extra class and comfort.

„LIV means Live
in swedish.

The name strikes us
as being especially
appropriate because
our sofa invites you
to really live with it. “

The collaboration between Rolf Benz LIV and Luca Nichetto takes a holistic approach to furnishing your living room. The premium look of Rolf Benz LIV is seamlessly carried on in the Rolf Benz 901 coffee table and in the Rolf Benz 902 side table. Both have a striking frame and a circumferential base and their design language directly addresses Rolf Benz LIV's principle of lived beauty. Its edged table tops are available in natural stone or clear glass with a painted underside.
